**\$400
OFF**

EACH RAYMOND 8210 WALKIE
PALLET TRUCK.

**BETTER
ENGINEERING.
PROVEN TECH.**

If your operation faces tight aisles, congested docks, or busy trailers, you need equipment engineered for precision and performance. The Raymond 8210 Walkie Pallet Truck is built for the real world — with rugged durability and a design that helps operators move confidently in confined spaces.

From dock plates to lift gates, the 8210 handles it all — and with features like Click2Creep™, Lift and Go™, and IP65 protection, it's the smart solution to help reduce damage, downtime, and stress.

- + Lithium-Ion Compatible
- + Click2Creep™ Control
- + Lift and Go™ Programmability
- + Electric Pin Code Pad
- + IP65 Dust and Water Resistant
- + Programmable Performance
- + Cold Storage Option

**Take advantage of this extended offer — contact your local
Raymond Solutions and Support Center to learn more.**
